Hi Parents!

This was a busy week at school with the Wyoming Fire Fighters visit on Tuesday; and Picture Day today! The children always enjoy a visit from the fire fighters! The crew teaches them some fire safety; such as "Stop, Drop, and Roll" and they ask them to check their homes for smoke detectors. One of the fire fighters then dresses in their turn-out gear so that the children realize that the fire fighters are there to keep them safe.

The campground in the dramatic play area has been a hot spot the past couple of weeks. The children love roasting marshmallows and hot dogs over the fire! This week, it is nighttime at the camp. The children have been playing under the stars and using flashlights to read books in the tent!

Our first project in the Fish class will be "Collections". We have observed that the students enjoy collecting rocks and leaves from their walks to and from the playground. We think that this will turn into a wonderful learning experience for

your child! If you are a collector, and would be interested in showing your collection to the class, we would love to have you visit!

HOMEWORK:

Next week, please have your child bring in 3 items from a collection that they have at home. Please steer them clear of bringing in TV show or Disney movie characters. Those items are special and tend to be coveted by everyone! We would like 3 rocks, 3 dogs, 3 Matchbox cars, etc. We will share and discuss these items as a group.

We hope to see you at the Halloween parade on Thursday, October 27th! We can't wait to see your child dressed in their favorite costume! It is always a fun event at preschool!

Thanks for allowing us the opportunity to work with your children!

Jen and Sharon Marck
