

Hi Parents,

4-6-17

We hope you had a relaxing spring break with your families. Amazingly, the end of the school year is right around the corner. With about 5 weeks left, we have quite a bit of excitement to fit in!

In the classroom, the children loved the books of Emily Gravett. We have now moved on to our next author, Nancy Tafuri. We have changed the classroom environment to include many things related

to Easter. This includes our discovery table. If you would like to contribute anything to our Easter discovery table, we would love donations anytime in the month of April! We

are looking for items related to Easter that the children would enjoy exploring

with any of their senses. We especially love items from nature, but a quick trip to the dollar store is always a fun and easy way for your child to find something to contribute.

For our project, the froggies are still exploring new ways of "Putting the Pieces Together!" This has included fine motor exercises, art activities, math practice, and a lot of thinking and fun!

We no longer need cereal boxes, so thank you for all of your help!

Please keep an eye on the Lads and Lassies Notes that are emailed to families. There are many fun events coming up that you will want to remember!

Thanks for partnering with us,

Lisa and Kathy
