

Frog  
Classroom News

November 9, 2017

Please welcome  
our 4 new  
Froggie Friends:  
Clara, Max, Tripp & Walter!

Happy November! There are a lot of new things happening this month! Kathy and I are especially excited that a project idea has emerged! In the studio and classroom, teachers have been collaborating to provide the children with opportunities to observe, explore, and investigate. This has revealed the froggies' interest in "Making Prints!" We have already begun studying different ways to make prints, and we will keep you updated as we investigate together.

We will plan to go outside as long as the temperature is above 35°, so please tuck a hat and *mittens* in your child's backpack when needed. One request: please allow and encourage your children to put on and take off jackets by themselves. They are learning ways to do it independently at school 😊

**Beginning Tuesday, Nov 14<sup>th</sup> and throughout the month**, please bring in items for our Discovery Table such as: pumpkins, gourds, interesting squash or fall produce, Indian corn, cornucopias, turkey feathers or any other feathers, Thanksgiving-related items, Autumn scented things, orange items, and/or any interesting nature finds from a walk or from the backyard

Enjoy the warmer days outside whenever you get a chance, and thank you for the privilege of teaching your children.

Lisa and Kathy 😊

**Writer's Workshop**

We are currently in the midst of a new author study on Lois Ehlert. Our next author will be Karma Wilson.
