

We Are Off to a Great Start!

The children are enjoying their first weeks of school!
We are learning the routines, sharing with friends and having fun!

Please feel free to speak with one of us anytime about your child!
We will be touching base via email or phone
the week of September 17th

Sharon Marck and Kara Garrod

Goals (over next few weeks)

For the children:
Independence skills
(opening snack, zipping
backpack...)

For the teachers:
Find the "spark" that will
help the class to decide
on a project

For all:
Continue getting to
know each other!

Author Study

The enjoyable *Pete the Cat* series, written by Eric Litwin and James Dean; Eric Litwin will be signing his books and performing at the Groesbeck and Symmes Township library branches on October 3rd. See the library website if you are interested in more details.

In the Classroom

-Math: One-to-one correspondence-involves the act of counting each object in a set once, and only once with one touch per object.

-Dramatic Play: Serving up pancakes and waffles to our classmates in the kitchen

-Science: Exploring and painting rocks

-Studio: Experimenting with color

Block Center: Testing how to balance blocks

Reminders

-Please encourage your child to potty before school

-Please pack a small snack- our snack time is only 10 minutes

-We will be touching base via email or phone the week of September 17th.
