

Frog Classroom News

September 2018

The frog class is off to a wonderful start this year! The children have been very busy learning new social and academic skills. They are working hard to adjust to our routine, use their words, take turns, stand in line, respect materials, and clean up after themselves. Additionally, we have begun assigning jobs to the children, which teaches both responsibility and a sense of community. Wow! That's a lot!

Writer's Workshop

For our writer's workshop, we started the year by reading books about frogs. This week, we will begin an author study of Bill Martin, Jr. Feel free to check out his books at your local library.

Discovery Table

Thank you to those who contributed pictures and/or objects to our beach Discovery Table. Here is a heads-up that our focus will change to "Trees" on October 2 and then to "Autumn/Fall" on October 30.

Here is a map of our day in the frog classroom:

- 9:00-9:25 Discovery time
- 9:25-9:35 Circle time/Story
- 9:40-10:10 Playground/Indoor Gym
- 10:15-10:45 Snack time and story time
- 10:45-11:15 Studio/Small Groups
- 11:15-11:25 Music
- 11:25 Pack up for dismissal

Hope to see you on
Curriculum Night on
Monday, Sept 17!

It is a pleasure and honor
to work with your children.
As teachers, we are
amazed by how much they
have learned already!
